Logical Operation Flow Chart

Output
"You have chose then operation of
(A AND B) OR C"

Output
"Only enter in integers!!"

Output
"Enter a value for A"

Input
A

Output
"Enter a value for B

Input
B

Output
"Enter a value for C

Input
C

(A AND B) =
temp

(A AND B) OR C =
result

Output
The total of the values are
(A AND B) OR C = result
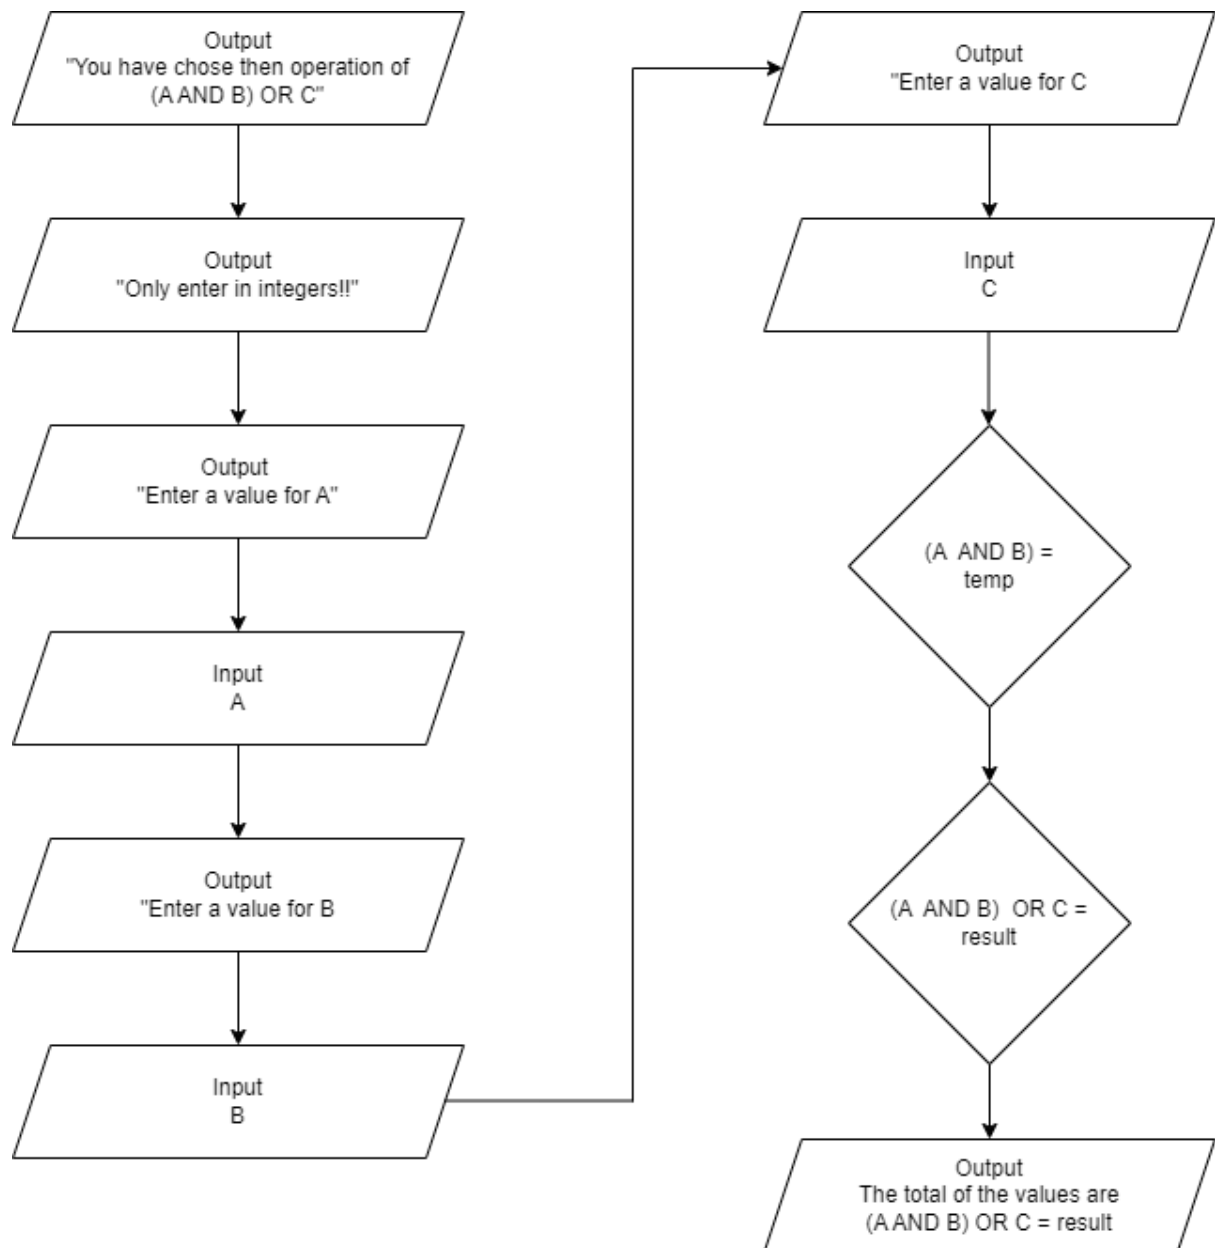

Arithemtic Operation Flow Chart

Output
"You have chose then operation of (A + B) / C"

Output
"Only enter in integers!!"

Output
"Enter a value for A"

Input
A

Output
"Enter a value for B

Input
B

Output
"Enter a value for C

Input
C

(A + B) / C = result

Output
The total of the values are
(A + B) / C = result
